Re: LWOP-Outside Travel

Handwritten signature of Harold C. Frazier in black ink.

If any tribal employee leaves the reservation for leisure travel to the surrounding cities, they will mandated to self-quarantine for 14 days, leave without pay. It is a personal choice to leave the reservation therefore, self-quarantine time with administrative leave will not be provided by the Tribe. Please stay home and do your grocery shopping locally to minimize risk of COVID 19 exposure. The overall health and safety of our people is our priority. Thank you.
